

## DISTRIC AGM REPORT

I would like to begin with my apologies for not being here tonight. But I am on holiday in Scotland, and it is a long way to come back to Malvern for the AGM

The past year like the one before has been very difficult for everyone, and nigh on impossible to deliver face to face Scouting.

I would personally like to thank all of the leaders who have week after week gone out of their way to deliver Scouting to our boys and girls.

I am so impressed with the range of online and other activities which you have all managed to deliver in very difficult circumstances.

Particularly I would like to thank Maureen and Ryan for their Leadership and commitment to Scouting in the Malverns , not only in the past 12 months but for the past years.

It looks as things are improving and we all have hopes that we will be able to continue to engage and encourage our young people in the magic of Scouting

I hope you will all have a good evening and my very best wishes for the future.

Pauline Richardson

District Chairman
